## VICTORIA CITY BY-LAW.

No. 161.

## A BY-LAW

*In aid of the Victoria and Sidney Railway Company.*

WHEREAS, under and by virtue of an Act of the Legislative Assembly of the Province of British Columbia, passed at the last session, intituled "The Victoria and Sidney Railway Act, 1892," a company was incorporated with power to lay out, construct, maintain and operate a line of railway from some convenient and accessible point within the City of Victoria by the most feasible and available engineering route to the Townsite of Sidney, in the District of North Saanich:

And whereas, under and by virtue of another Act of the said Legislature, passed at the last session thereof, intituled "The Victoria and Sidney Railway Subsidy Act, 1892," power was taken by the Government of British Columbia to guarantee the payment of interest, until maturity, at two per cent. per annum on bonds of the said railway company, issued to an amount not exceeding \$300,000, or its equivalent in sterling money, the principal of such bonds to be payable not later than 25 years from their date:

And whereas, under and by virtue of section 104, sub-sections 2, 3 and 4, of the "Municipal Act, 1892," the Council in every Municipality is authorized from time to time to make by-laws among other things for endorsing and guaranteeing the payment of any debentures, or interest on any debentures, to be issued by any railway or tramway company constructed, or proposed to be constructed, either wholly within the limits, or partly within the limits and partly without, for the money by them borrowed, and for assessing and levying from time to time, upon the whole rateable property of the municipality, a sum sufficient to discharge the debt or engagements so contracted:

And whereas the said Railway Company have applied to the Corporation of the City of Victoria for a guarantee of payment of interest on certain of the bonds of the said Company upon the railway proposed to be constructed by the said Company by virtue of the said charter to the amount of 3 per cent. on the sum of \$300,000.00 for a period of 25 years:

And whereas, under and by virtue of the foregoing recited Act, intituled the "Victoria and Sidney Railway Subsidy Act, 1892," provision is made in clause 2 thereof that in case at any time an agreement is entered into by the Company with the Corporation of the City of Victoria for the furnishing by the said Corporation of a guarantee of payment of interest to a further amount of two or more per centum on the bonds of the Company, up to not more than \$300,000, the Government may make such arrangements for permitting the said Corporation to share any security taken by them for advances hereunder, and such provisions as to the manner of holding the same as to them may seem fit:

And whereas the said Company was thereby empowered to charge its undertaking and its tolls and property, real and personal, with the repayment of all the moneys paid by the Provincial Government in respect of the guarantee thereby authorized, second and subject only to the charge given in favour of the bondholders under the Company's Act of Incorporation, and with further power to the Lieutenant-Governor in Council to enter into all agreements which might be necessary for the purpose of carrying out the provisions of the said Act:

And whereas it is desirable that a guarantee of payment of interest on bonds by the said Corporation should be made, and an agreement to that effect entered into by the said Corporation with the said Company, and that an arrangement should be made by the said Corporation with the said Government for permission to the said Corporation to share any security taken by the said Government for advances by them and by the said Corporation, and otherwise, as provided by the said Act:

And whereas it will require the sum of \$9,000.00 to be raised annually by special rate for paying the amount of the said guarantee, in the event of the said Corporation being called upon to pay the same:

And whereas the whole amount of the rateable land and improvements of real property of the Municipality, according to the last revised assessment roll, is \$17,563,148.00:

And whereas it will require an annual special rate of half a mill on the dollar for paying the amount of such

guarantee in the event of the Corporation being called upon to pay the same:

And whereas the total amount of such guarantee, in the event of the Corporation being called upon to pay the same, is \$9,000.00:

Therefore be it enacted by the Municipal Council of the Corporation of the City of Victoria:—

1. There shall be assessed and levied in each year an equal special rate of one-half of one mill on the dollar, in addition to all other rates, to be levied in each year for the payment of the interest payable under the said guarantee.

2. The amount of such special rate shall be collected in each year, from time to time, as the said Corporation may be called upon to pay the amount of the said guarantee.

3. The Corporation of the City of Victoria shall guarantee interest at the rate of 3 per cent. per annum on the bonds of the Victoria and Sidney Railway Company to the amount of \$300,000.00 for a period not exceeding twenty-five years from the date of this by-law going into effect, under and subject to the conditions prescribed in this by-law.

4. Any sum or sums of money which may hereafter be paid by the Corporation under this guarantee shall be a first charge upon the undertaking, tolls, and property of the said Company, subject only to the said bonds and to such division thereof as between the Government of British Columbia and the Corporation as may be agreed upon by the said Government and the said Corporation, and the acceptance of the benefit of this by-law by the said Company shall be deemed conclusive evidence of the assent of the said Company to all the terms of this by-law.

5. All the moneys obtained from the proceeds of the said bonds in respect of which interest is guaranteed by the said Corporation shall be applied by the said Company in payment of the right of way, construction, equipment of the said railway and expenses incidental thereto.

6. It shall be lawful for the Mayor, for the time being, of the Corporation of the City of Victoria to endorse, or cause to be endorsed, on the said bonds so proposed to be issued by the said railway company the guarantee in the form and manner prescribed in the memorandum of agreement set forth in the schedule attached to this by-law, and for the Clerk of the said Corporation to countersign and seal the said endorsements.

8. The said Company shall not directly or indirectly employ Chinese upon, about or in connection with the work of construction, and in the event of so doing, or of any of the said Company's employees or any subcontractor under them so doing, the Company shall be liable to a penalty of ten dollars (\$10) for each day for each Chinese so employed, to be recovered as specified in Clause 7 of this by-law.

9. The Company shall not pay any dividends to any shareholder or other person so long as any money remains due or owing to the said Government or the Corporation of the City of Victoria in respect of the said guarantee.

10. The said Railway so to be constructed shall be of a standard gauge and to be operated by steam power, and one train per day (Sundays excepted) shall be run over the said line from each end thereof.

11. Plans of the location of so much of the line and terminal works of the said railway as shall be within the limits of the City of Victoria shall be filed by the Company in the office of the City Clerk, and shall be subject to the approval of the Municipal Council before any work of construction shall be proceeded with within such City Limits.

12. All expenses connected with or incidental to the passage of this by-law, shall be borne and paid by the said Company to the Corporation of the City of

Victoria before this by-law shall be submitted to the ratepayers.

13. No contract in connection with the construction of the said proposed railway shall be let to any person or persons, firm or corporation, who have not been for over six months prior to the date of calling for tenders for the said contract, resident or residents of the said Province, from the date of receiving tenders for the said work.

14. This by-law is subject to the agreement made between the Government of the Province of British Columbia, and the Corporation of the City of Victoria, and the Victoria and Sidney Railway Company, in the words and figures set forth in the schedule hereto, which schedule is hereby incorporated herewith, and made part of this by-law.

15. This by-law shall, before the final passage thereof, receive the assent of the electors of the Municipality, in the manner provided in the "Municipal Act, 1892," and shall take effect on the 25th day of July, 1892.

The said Municipality shall comprise all that piece or parcel of land hereinbefore described.

The Council shall consist of four Councillors and a Reeve, and the whole number present at each meeting thereof shall not be less than three.

The nomination shall take place, and the poll (if any) shall be held at the Town Hall, Lansdowne.

The nomination for the first election of Councillors shall be on the 10th day of September, A.D. 1892, at 12 o'clock noon, and the polling (if any) shall be on the 17th day of September, A.D. 1892, and shall continue for one day only, and the poll shall be kept open between the hours of 10 A. M. and 4 P. M. and Mr. Frederick Heathcote, of Spallumcheen, shall be the Returning Officer thereat.

The qualification of the members of the first Council shall be identical with the qualifications contained in sections 27 and 28 of the "Municipal Act, 1892."

At least ten days' notice of the time and place of nomination and of holding of the poll (if any) shall be given by the said Returning Officer; such notice to be posted during that period on the outer door of the said Town Hall and of each school-house within the Municipality.

The Returning Officer shall, on the day of nomination, at noon, announce the names of the persons put in nomination in that behalf as candidates for the office of Reeve and Councillors, as prescribed by the "Municipal Act, 1892."

At the close of the time for nominating the candidates the Returning Officer shall deliver to every candidate, or agent of a candidate, applying for the same, a duly certified list of the names of the several candidates who shall have been nominated; and any votes given at the election for any other candidates than those so nominated shall be null and void.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the place or places at which the poll shall be so opened in the Municipality, or in each polling place in the Municipality (as the case may be), for the purpose of taking the votes of the electors according to law; and shall then adjourn the election, and shall take a poll by ballot, and shall cause to be posted up notices of his having granted such poll, indicating the names, residences, and occupations of the candidates so nominated, in the order in which they shall be printed on the ballot papers, which notices shall, as soon as possible after the nomination, be placarded in all the places where the proclamation for the election was posted up.

If, after the adjournment of an election by the Returning Officer for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Returning Officer shall, upon being satisfied of the fact of such death, countermand notice of the poll, and all the proceedings with reference to the election shall be commenced afresh: Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

In case of a poll being held the candidates (duly qualified) who shall obtain the greatest number of votes shall be Municipal Councillors and Reeve respectively.

Every person qualified to vote shall have five votes, being one for each Councillor to be elected, and one for Reeve, but he may vote for any less number than five: Provided always, that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion, except for Reeve. And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal

shall be elected: Provided that the said Returning Officer shall not vote except in the case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the candidates in equal proportion; such expenses shall not exceed in the whole one hundred dollars.

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Municipal Councillor or Reeve, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Reeve or Councillor shall be filled as provided by the "Municipal Act, 1892."

The first meeting of the Council shall be held on the first Saturday after the day of election, at the Lansdowne Town Hall, at 12 o'clock noon.

Until provision be made by by-law, in that behalf, all proceedings at and relating to the meetings of the Council shall be held and taken in accordance with the provisions contained in the "Municipal Act, 1892," and all the powers, privileges, and duties of the Reeve and Council shall be the same as those prescribed by the said Act.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector, and Assessor, or such officers as they may deem necessary, who shall hold such office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.
